

HERE IS, AT LEAST, PART OF THE RESERVATION INFO FOR THE ROAD TRIP TO VANCOUVER, B.C.

Preliminary plans for our Road Trip to Vancouver, B.C. are to drive the first day to Billings, MT, second day to Ritzville, WA, and then third day to Seattle, WA. We hope to have several hours in Seattle that afternoon, evening and the next morning before driving to Vancouver, B.C. We'll stay three nights in Vancouver, while seeing the sites, then two nights in Victoria, seeing the sights there, and then back down to see the Pacific Coast of Washington, Oregon and California before venturing back home. With the help of Diane Long, I'm still working on hotel reservations for several nights, but the following are ready for your call. Please make your reservations ASAP remembering that you are able to cancel all hotels within 2 days of our stay at each place.

***** **Road**
Trip to Seattle, Vancouver, Victoria, and Pacific Coast

Preliminary plans for our Road Trip to Vancouver, B.C. are to drive the first day to Billings, MT, second day to Ritzville, WA, and then third day to Seattle, WA. We hope to have several hours in Seattle that afternoon, evening and the next morning before driving to Vancouver, B.C. We'll stay three nights in Vancouver, while seeing the sites, then two nights in Victoria, seeing the sights there, and then back down to see the Pacific Coast of Washington, Oregon and California before venturing back home. Pacific Coast Hotels have been challenging as they are asking \$350.00 to \$1,000.00 per night at even the low end hotels. But, we have found some great prices at hotels just a little inland. We'll be on the coast by day and saving money, inland by night. **The last three hotels where you need to reserve your rooms are highlighted in yellow.** Please make your reservations ASAP remembering that you are able to cancel all hotels within 2 days of our stay at each place.

Shirley
