GROUP 1 (*up to 8 people*) - **BEYOND THE FLOWER SHOP:** The year is 1926. Alcohol has been banned. Back alley deals. Police colluding with criminals. The mob running the town. Speakeasy's are everywhere. Is this really just a flower shop? Can you find your way to the bar?

GROUP 2 (*up to 8 people*): **CASINO HEIST:** Your team has been planning the heist for months. The mastermind of the plan has gone rogue. He sold you and your team out to the police and is planning the heist alone. You and your team have 60 minutes to get from the casino to the vault and escape before you are caught!

KNOW BEFORE YOU GO...

- **ARRIVE 15-20 MINUTES EARLY:** Games begin at 10:45 AM whether participants have arrived or not. Please allow ample time for traffic and parking. If you arrive late, you will have less than 60 minutes to complete your room. You will also need to sign the waiver...if you forget to bring it with you!
- **WHAT TO WEAR:** You will be on your feet for the entirety of the escape room experience, so we recommend wearing clothing and shoes that you can stand and move comfortably in for 60 minutes.
- **WHAT TO BRING:** We provide all that you need during the escape room experience. Prior to entering the room your group will have access to a locked compartment for your personal items (cell phones, purses, etc.). You will keep the key to the compartment for your group. **If you need your glasses for reading, don't forget to bring them with you!**
