

We all had a great time with the beautiful drive to Estes Park on Saturday Aug 24th. A special thanks goes out to Tim & Shelly for organizing that event.

All the events this year have been fun unique!

The club has some back to back events coming that you don't want to miss out! The next event is as follows.

Saturday September 7th, 2019

Viper Luau

Will meet at Highland Hills at 2:00 PM, play a round of miniature golf (prize for the lowest score) than head over to the home of Steve & Diane's around 3:00 / 3:30

I need to know how many are playing golf so we can make the reservations and I will pay up front the cost is 6.50 per person.

When you RSVP please, this will be a two-part response! Are you doing both the miniature golf and the luau or you just doing the Luau?
